

Haines Family,

This is Ms. Moy Davis with a very important announcement.

Don't forget that we have our Bilingual Advisory Council and Open House on Monday, September 26 at 5:00pm.

During this time, you will receive the State of the School Address and then have some time to speak to your teacher or a representative from that grade level.

We hope to see you on Monday at 5:00pm.

Have a great weekend.
