Language Arts 英语阅读课 Writing 写作

In language arts, students are studying reading strategies and using Daily 5 reading instruction to become independent readers. Students select from five authentic reading and writing choices. Students work independently toward personalized goals, while the teacher meets individual needs through whole-group and small-group instruction, as well as one-on-one conferring. These choices include: Read to Self, Work on Writing, Read to Someone, Word Work, and Listening to Reading. Daily 5 classrooms produce productive, highly engaged students who are developing a true love of literacy. Novel studies will begin and will cover these reading strategies: sequencing, character traits, and story structure. Testing continues for reading. Tests include Dynamic Indicators of Basic Early Literacy Skills (DIBELS) and Beginning of the Year (REACH BOY) District wide Performance Tasks that assess student progress towards mastery of a selected standard(s) or skill(s). 英语阅读, 学生们正在学习阅读策略和使用每日5类阅读活动成为独立的读者。5类阅读活动包括: 独立阅读, 伙伴阅读, 单词, 写作, 听读。学生也将学习阅读文章策略的排序, 人物性格特征和故事结构。二年级测试内容包括基本的早期读写技能(DIBELS) 和评估学生年度的学习进度 (REACH BOY)。

1st Quarter Novels 第一季度短阅读文章: *Cowgirl Kate and Cocoa*, *Henry and Mudge the First Book*

Math 数学 In math class, students learn to apply addition strategies such as counting on, using doubles, making 10, and analyzing addition fact patterns. These strategies can be represented using tools to build fluency with addition facts. Please help your child access online videos and additional math practice on www.pearsonrealize.com. 在数学课上, 学生学会运用加法策略, 如count up, 用双数, 使得10和分析加法样式。请帮助您的孩子使用本网站 www.pearsonrealize.com 练习数学题。

Science 科学课 In science, we are studying Life Science, students will continue to study the effects of sunlight and water on plants. We will learn the engineering and design process, and how to create scientific drawing and how to create scientific notes. 在科学上, 我们正在研究植物科学, 学生们将继续研究阳光和水对植物的影响。我们将学习设计科学实验过程, 以及画科学图片和写科学的笔记。

Social Studies 社会课 Our topics this month are fire safety, bats, seasons change, and election. Students learn about current events through reading Time for Kids or Scholastic News magazines. Please talk to your child about these topics and ask them to share what we have been studying in the class. 这个月我们的主题为消防安全, 蝙蝠, 季节变化, 通过阅读时事杂志, 学生们学习新闻时事。请多跟你的孩子谈论这些话题, 让他们分享我们在课堂上学习的新闻。

REMEMBER TO DRESS WARMLY! With cooler weather drawing near, it is time to put away those shorts and dig out the sweaters. As you are aware, Chicago weather changes frequently. Please dress your child for the weather. Dressing in layers is always a good idea so that children can adjust to the changing temperature accordingly. 最近天气转凉, 是时候收起那些短裤, 翻出毛衣。大家都知道, 芝加哥的天气变化很快。为了孩子们能够适应不断变化的温度相应, 请父母给孩子穿几层衣服 - T恤, 薄长袖, 毛衣, 外套。冬天的时候, 学校有中央暖气, 学生平时穿一件T恤或薄长袖, 没有必要穿几件毛衣。

Keep your eyes peeled for our October Stars of the Week:

Room 201 - Junyang, Honora, Ziqi, Justin
