November News

Reading

We are continuing to focus on alphabet knowledge and extending it to blending sounds to read words. We are working on memorizing level 1 sight words. We are beginning to read simple texts and using picture clues and beginning/ending letters to determine unknown words. Our focus skills include identifying key details from a text, retelling, realism vs. fantasy, and comparing and contrasting 2 texts.

Writing

We are continuing to work on narrative writing with a focus on writing beginning, middle and ending sounds for words, and spelling sight words learned correctly. We are beginning to write simple sentences to tell about our pictures. We are adding details to our pictures and sharing our stories.

Math

We are continuing to practice identifying, comparing, sequencing, and counting numbers from 1-100. Our goal with this is to become fluent. We are learning about words that tell position and location (on, under, top, bottom, next to, etc.). We are learning number words one-ten. We are beginning to focus on problem solving and math reasoning.

Reminders

Please check your child's folder daily. There are always important communications going out with the homework. Also, please make sure you are completing the monthly reading log and submitting it by the first of the next month.

There are some safety concerns at the kindergarten entrance. We are asking that all parents and guardians stand against the fence while you wait for the doors to open. Please, do not stand next to your child in the line as its preventing students from coming in safely and quickly. Also, when your child enters, please do not stand at the door since it may block other students from entering.

幼儿园入口处有一些安全问题。我们要求所有的父母和监护人站在栅栏上，等候门打开。请不要站在你的孩子旁边，因为阻止学生安全，快速地进入。此外，当你的孩子进入，请不要站在门口，因为你可能会阻止其他学生进入。

Important Dates-

Return books to Chinatown Library if your child borrowed a book from previous field trip.

School Improvement Day- No Classes 11/4/16

Report Card Pick Up/Conferences- 11/9/16
