TEACHER'S MESSAGE

Thank you to all who came with us on our neighborhood walk to observe buildings. Also, thank you to parents who donated soap last month. Please be sure to come to school on time. The morning class starts at 7:45 and the afternoon class starts at 12:10. The children should bring a bottle of water to keep in their locker. If you would like to donate small 3 oz. cups for the classroom, the children who forget their water bottle will be able to get water from the sink.

MONTHLY THEME

This month we will finish our nutrition and exercise unit and begin a study on Reduce, Reuse and Recycle after spring break. Please be sure to recycle at home and explain to your child what can be put in the blue recycling containers from the city. Ask them to decide if something can be recycled and have them put items in the blue recycling container.
