TEACHER'S MESSAGE

The year has gone by so fast, and the children have grown so much! Thank you for all that you do for your child at home. We could not do the work we do without your support. If your child is going to kindergarten in September, please remember to have a physical, dental, and eye exam for your child before school starts. We wish the children going to kindergarten well, and we look forward to seeing our returning students in September. Please continue to work with your child on the concepts we've learned this year to keep them fresh in your child's mind. We want the children to continue growing and learning throughout the summer.

MONTHLY THEME

We will be talking about friends as well as the transition to kindergarten for those who are going.
