TEACHER'S MESSAGE

Preschool follows the same weather guidelines as the rest of the school for outdoor recess. Please make sure your child dresses appropriately for outside play when weather permits. It's a good idea to have an extra set of clothes in your child's book bag in case of an accident. We will be going on a field trip on February 27 to see The Three Little Pigs at the Symphony Center. We have some spots available for chaperones. If you would like to come with us, please check the box on the permission slip. Space is limited. Once we get all of the forms, we will let you know if we have a space for you.

MONTHLY THEME

This month we will begin a unit on buildings. We will talk about who builds buildings, what tools are used, what materials buildings are made of, what makes them strong, and what happens inside of buildings.

THINGS TO DO AT HOME

At home, you can study your house or apartment building with your child. Talk about what materials were used to build it. How many stories and rooms does it have? How old is your home? Also take a walk around the neighborhood and look at the different buildings. Please continue working with your child on the letter of the week.
