TEACHER'S MESSAGE

Please remember to read with your child each night. Help your child to remember to bring the book they take home back to school the next day. Many books have not been returned since we have come back from winter break. Also, we have homework Monday-Thursday. Please be sure your child does his/her homework each night and turns it in the next day. The homework supplements what we are learning in class. By stressing the importance of doing homework each night your child will begin to understand his/her responsibilities and this will help your child set good study habits throughout his/her school years. If your child is absent from school, you need to write a note or complete a form that you can get from me so the absence is excused. We are in need of hand soap if anyone would like to donate some to the classroom.
