TEACHER'S MESSAGE

It was good to speak with you about your child's progress during report card pick up. Your children are making great progress, and I appreciate all of the work you do with your child at home to help him/her succeed. The children going to Kindergarten next year will need a physical, dental and vision exam. I will put these forms in your child's locker for you to take to the doctor and dentist. The children remaining in preschool will automatically be registered for next year. If you would like to switch your child's class from the morning or afternoon next year, please let me know. Registration for new preschool students will begin in May. If you know someone who has a child that will be three or four by September 1st, tell them to register online. If you have any questions, please ask me.

MONTHLY THEME

This month we will be finishing our unit on recycling and beginning a study on dinosaurs. I'm hoping that you are recycling at home. Please let your child help you in this effort.

DATES TO REMEMBER

Thursday, May 18: Parent/child nutrition and yoga workshop. The workshop for the morning class will start at 9:15. The workshop for the afternoon class will start at 12:15. Please have a family member attend this workshop.

Monday, May 29: No school in observance of Memorial Day.
