### **TEACHER MESSAGE**

**Welcome!** We are looking forward to a year of learning and fun. Here are some things you should know about our program. The morning class is from 7:45-10:20. The afternoon class is from 12:10-2:45. Please enter and exit the classroom from the outside door. You must wait with your child until I open the door. Please do not leave your child unattended outside. It's important that you are on time to drop your child off and pick him/her up. If your child is absent from school, please call our classroom to let us know, and then complete an absent form upon your child's return to school. If your child misses five consecutive days of school for reasons other than illness, your child will be dropped from the program and put on our waiting list. Please consider this when planning vacation for your family. We take the children outside daily, weather permitting, so have your child wear gym shoes to school for safety reasons. If you ever have any questions about our program or your child's progress, please talk to me.

### **PRESCHOOL CURRICULUM**

We use the Creative Curriculum in which we do units of study that lasts about a month. The children will be integrating math, literacy, the arts, technology, science and social studies within these units. For the month of September, we'll be learning about school and talking about family and friends.

### **HOME/SCHOOL CONNECTION**

Some things you can do at home with your child are talk to him/her about what things they are learning in school, ask them about the friends they have made, work with your child on recognizing and writing his/her name, and talk to them about how they are feeling about school.

### **DATES TO REMEMBER**

**Tuesday, September 6:** Preschool Orientation

**HAPPY BIRTHDAY** (Please note that we will not be celebrating birthdays with food.)

**Hailey Huang:** September 6

**Ethan Lin:** September 23

**Autumn Li:** September 25
