## Principal's Message

I would like to welcome our new families and returning students and families to Haines School's 2017-2018 school year! We are looking forward to an exciting and inspirational year ahead. In the 2016-2017 school year, Haines School participated in Flight 2016, this year's theme will be ***Tune in to Learning!*** I encourage YOU to be active participants this year at Haines School. There are many ways to participate in the academic achievement of our students, but, the quickest way is to maintain an open line of communication. Please consider getting involved with Haines staff and students this year. **We can use volunteers all the time.** Our teachers, support staff, and students have been working hard to prepare classrooms in anticipation of this new school year. Don't forget to log on to the school's website, [haines.cps.edu](http://haines.cps.edu). It is filled with information and resources to assist you in your child's educational growth and ways to support Haines School.

Please remember that all class placements are tentative as reorganization often happens within the first few weeks of September.

Let's welcome our new family members to Haines School:

Timothy Lambert-LBS1 teacher

Alicia Torres-5th grade teacher

Jeannine Woods—2nd grade teacher

Teachers enjoyed professional development in August.

If you have any questions, please stop by the school.

Catherine Amy Moy Davis, Principal

Scott Scherquist, Assistant Principal
