Principal's Message

Haines, disarm doors and crosscheck– We have landed! – The school year is coming to an end and I hope that this year's flight was a smooth one. We enjoyed our very first school-wide Movie Night on Flight 2016-2017, dances with parents, a fun time with Haines Underground Railroad, family nights that engaged parents and students, as well as performances with the Beverly Arts Center.

June is a time to think about summer programs, vacations and things to do to get ready for the next school year.

Don't forget that the Book/Activity Fee for SY17-18 has increased to \$70.00 per student. Payment plans are available.

Thank you to all the parents who worked so hard to this year at Haines School. There are just a few more events left in June. Parents, we are looking for volunteers for Field Day on Friday, June 16th where the students will rotate through several fun stations. We hope you can join us! More details regarding June events are noted throughout this newsletter.

We look forward to enjoying this final month of the school year and all that it has to offer. Thank you for your ongoing support.

On behalf of our entire flight crew, we would like to wish everyone a very safe summer. Enjoy the time with your families.

Catherine Amy Moy Davis, Principal
