Principal's Message

As the new principal of Haines School, I would like to welcome you to **Flight 2016**– where *LEARNING* will take you world-wide this school year! I realize the education of children is a difficult job and cannot be accomplished without the help and support of parents. I encourage YOU to be active participants this year at Haines School. There are many ways to participate in the academic achievement of our students, but, the quickest way is to maintain an open line of communication. Please consider getting involved with Haines staff and students this year. We can use volunteers all the time.

Our teachers, support staff, and students have been working hard to prepare classrooms in anticipation of this new school year. Thank you to everyone for their hard work and dedication to provide our students with the best learning environment possible. The school's website, haines.cps.edu is also filled with information and resources to assist you in your child's educational growth.

Please remember that all class placements are tentative as reorganization often happens within the first few weeks of September. If you have any questions, please stop by the school. I look forward to flying with you on Flight 2016!
