## Principal's Message

**Flight 2017**— As we begin the 3rd quarter of the school year, please continue to talk to your students daily about what they have done in school and read with your children every night. Thank you to everyone who donated gloves, mittens, hats, scarves, jackets and other clothing to our “Giving” Box. Thank you so much for your support.

Black History Month is often recognized in February. Did you know that it was held the second week in February in recognition of the birthdays of Abraham Lincoln and Frederick Douglas in 1926? In 1976, President Gerald R. Ford called for the first nationally recognized Black History Month and the month-long celebration recognizes the achievements of African-Americans in the arts, science, education and all aspects of American history. At Haines, we discuss the great achievements of African American throughout the school year. We will continue to showcase our students' work throughout the school.

Love is in the air! We will have our very first Father/Daughter Dance on Friday, February 17, 2017 at 5:30 PM. Admission will be \$30.00 per couple. Each couple will receive pictures, treats and an unforgettable evening together. This is a wonderful opportunity for our “father figures” and daughters/uncles and nieces to spend some time together.

Again, I want to thank you for being involved in your child's education. Please do not hesitate to contact your child's teacher if you should have any questions

Catherine Amy Moy Davis, Principal
