Classroom News - What We're Learning!

- Reading - Students have been learning about the "y" ending sounds. We will also be discussing steps involved in giving directions for projects or games, as well as discussing comparative and superlative adjectives (er/est)
- Math - Students will be continuing their understanding of place value as we move onto Topic 8.
- Science - We are continuing our Solids and Liquids unit where students are exploring properties of matter.
- Social Studies - We are learning about Unit 4 which discusses our Earth and resources. We will soon be taking a test and then going back to Unit 3, in which we will be discussing various careers. At the conclusion, students will be participating in a first grade problem solving project where they will be opening up their own classroom restaurant. More information will be forthcoming!
