Highlight of December

Room 201: Students participated Hour of Code programming during the month of December to support computer science in education.

Room 202: All the 4th grade classes got together and played some get to know you games. We then got to work on making stockings for the 25th Ward.

Room 203: This year's Pioneer Program [Expeditions AR](#), teachers and students map the physical classroom and place 3D objects like one of Michelangelo's statues. Students used devices to get up close to see detail, or step back to get a sense of scale and point out new discoveries together.
