**TEACHER'S MESSAGE**

This month we will have parent/teacher conferences on April 18. I look forward to talking with each of you about the progress your child is making. We will be going on at least one walking trip before the end of the year. We love having a family member join the children on these trips. In order to come, you need to complete an online form and then bring an ID to the office. CPS is requiring this of all chaperones. Please complete this form as soon as possible. You will need an email address to complete this form. The site you visit is <http://cps.edu/FACE/Pages/VolunteerPrograms.aspx>. If you need help completing the application, please ask us.

**MONTHLY THEME**

We'll be doing a Building Study this month. During this study, we will learn concepts and skills in science, social studies, literacy, math, the arts, and technology. We will also be using thinking skills to investigate, ask question, solve problems, make predictions, and test our ideas.

**WHAT YOU CAN DO AT HOME**

Study your house or apartment building with your child. What materials were used to build it? How many floors or stories does it have? How many rooms, windows, and doors does it have? Don't forget the basement if you have one! How old is your home? Who built it? What are its dimensions? Talk about other buildings you see with your child.
