### **TEACHER MESSAGE**

**Welcome!** We are looking forward to a year of learning and fun. Here are some things you should know about our program. The morning class is from 7:45-10:20. On Tuesday and Wednesday mornings, the classroom will not open until 8:00. If you want your child to eat breakfast on these days, you must stay with your child in the lunchroom for breakfast from 7:45-8:00, and then your child will come to the classroom at 8:00. Class will begin in the classroom at 7:45 on Monday, Wednesday and Friday, and we will be serving breakfast in the classroom on these days. The afternoon class is from 12:10-2:45. Please enter and exit the classroom from the outside door. You must wait with your child until I open the door. Please do not leave your child unattended outside. It's important that you are on time to drop your child off and pick him/her up. If your child is absent from school, please call our classroom to let us know, and then complete an absent note upon your child's return to school. We take the children outside daily, weather permitting, so have your child wear gym shoes to school for safety reasons. If you ever have any questions about our program or your child's progress, please talk to me.

### **PRESCHOOL CURRICULUM**

We use the Creative Curriculum in which we do units of study that last about a month. The children will be integrating math, literacy, the arts, technology, science and social studies within these units. Our first unit is The Beginning of the Year. The children will be learning classroom routines and becoming familiar with their teachers and classmates.

### **HOME/SCHOOL CONNECTION**

Some things you can do at home with your child are talk to him/her about what things they are learning in school, ask them about the friends they have made, work with your child on recognizing and writing his/her name, and talk to them about how they are feeling about school.
