Thankful Edition

November is one the best months of the year. I am thankful to be born on this month and November is ALWAYS one of the shortest month of school.

Top 5 things that I am thankful for:

- Haines family (staff, students, parents, and the Haines community)
- Good health
- My friends and family
- The Weekends
- Learning from my mistakes

Thank you so much for ordering almost 200 cases of taffy apples. This is by far one of BEST fundraiser that LSS has sponsored.

Thankful for being a semifinalist CHICAGO WORKS COMMUNITY CHALLENGE application process from the City of Chicago for a \$10M community investment initiative that will provide funding of up to \$1.5M for infrastructure investments

Thankful for students and parents who are making sure students come to school on time and ready to learn.

Thankful that we have almost 90% of our parents connected with School CNXT- Please make sure you have access to this; if you need help, please email homeroom teacher for the code to get connected! You should receive a weekly email update from us through School CNXT as well as Blackboard Connect.

If you don't, we want to make sure that you do. For some families, it may be that your email settings blocks our messages and for others, it may be that we do not have accurate information. Please send us an email with your child's name and the correct email address to haineses@cps.edu.

Students and staff are required to wear masks. We will adhere to all required safety protocols throughout our school district by following the Center for Disease Control, State of Illinois, and the Illinois Department of Public Health guidelines. **FOH has cloth green Haines masks for sale. They are only \$7.00 and available for purchase in the main office.**

Parent/Teacher Conference- Parents, this is your time to connect with the teacher. During this year's conference, this is a great time to discuss your child's progress and learning so far this year. It is also important to discuss factors that can affect learning, such as students' behavioral and social development. Please be **PROACTIVE** and set this date aside for conferences. Conferences this year will be held either in person or virtual. More information is forthcoming by homeroom teachers.

COVID 19 Testing for students - if you are interested in getting your student tested weekly for Covid 19, you must register your child. If you have already done so, your child will be notified weekly when they are at Haines. Please have your child's ID# when registering.
