# Week of Sept. 6 -10

## Reading

This week we will be working on our Superkids Back to School Unit and reviewing our letter sounds. Students will be getting their handwriting journals so that we can begin practicing correct letter formation. I will also begin to assess students individually for DIBELS beginning of the year benchmark.

## Math

In math, the class will be beginning Topic 1 in Envision where we will review number formation and basic addition skills.

## Social Studies / Science

For this week we will be starting our new Skyline curriculum and continue learning about citizenship and respect.

In Science, we will continue to explore how scientists know so much and will be training our minds by observing everyday objects and asking questions like a scientist would.
