

8/19/2020:  
Haines parents,

I hope you are enjoying the beautiful summer weather.

CPS recently sent out the reopening plan; please make sure you have read it and understand what is expected in the Fall. If you did not, please goto to CPS' website at [cps.edu/reopening2020](https://cps.edu/reopening2020)

We will have a schedule for parents to pick up a device for the 1st quarter soon, if you have not requested a device, please email us at [haineses@cps.edu](mailto:haineses@cps.edu) with your child's name and grade. If you have already done so, do not email us again.

Look out for more information from us.

If you have friends that aren't getting the emails, have them visit the school's website at [haines.cps.edu](https://haines.cps.edu) for more information or email us at [haineses@cps.edu](mailto:haineses@cps.edu) to update their phone numbers, mailing address, and email address.

Stay safe and be well.  
See you soon.
