You can also create your "Do it Yourself" at home.

你也可以在家“自己制造”你的創作

Create your own stand by using shoe boxes; take breaks in between classes, dim the light on the screen of the computer; and have pencils/pens, paper and books available DAILY.

使用鞋盒來做個電腦架，轉課堂時候小休息，將電腦螢幕調暗，每天預備好筆，紙和書本。

Have a fabulous week!

有一個人神話般的星期！
