

SCORING RUBRIC

SELECTIVE ENROLLMENT HIGH SCHOOLS

OVERVIEW

The application scoring system has three main parts: NWEA MAP assessment (33.3% of the total), seventh grade grades for core subjects (33.3%), and the entrance exam (33.3%). The weights for the different parts are established by using a total of 900 points, with each 33.3% element worth 300 points.

NWEA MAP

We multiply the percentile ranking of the reading score by 1.515 to get a maximum score of 150, and we multiply the percentile ranking of the math score by 1.515 to get a maximum score of 150, so that reading and math together yield a maximum of 300 points. You can use the table below to look up your score.

Seventh Grade Grades

Points are calculated for reading, mathematics, science, and social studies. Each 'A' grade is worth 75 points, each 'B' is worth 50 points, and each 'C' is worth 25 points. No points are awarded for a 'D' or an 'F' grade. A student with four As will get the maximum of 300 points, while two As and two Bs are worth 250 points. You can use the GRADES table to determine your point totals.

Exam

We determine the entrance exam points by multiplying the total national percentile rank by 3.03 to get a maximum of 300 points. You can use the table below to determine your exam score.

NWEA MAP

READING OR MATH%	POINTS	READING OR MATH%	POINTS	READING OR MATH%	POINTS	READING OR MATH%	POINTS	READING OR MATH%	POINTS	READING OR MATH%	POINTS
99	150	82	124	65	98	48	73	31	47	14	21
