Haines family,

I am sure that the events that occurred yesterday may be still playing in your head and in your heart. I want to make sure we, as adults, acknowledge the emotions we have as people first and be prepared to support our children on a daily basis.

As parents, we want what's best for our students and sometimes try to ignore or not acknowledge the harsh reality, so please know that all of our students are impressionable.

It is our responsibility to educate our children about the world around us.

Our school's mission and vision is to foster 21st century global learning skills, ensure character, social, and emotional development of the whole child, while providing students with additional learning opportunities and services inside and outside of the traditional school setting.

Our teachers are creating safe spaces and opportunities to make sure we do not let any teachable moments slip by in the upcoming weeks.

Below are a few articles and or websites that you can use to discuss this with your children.

Please know that the entire Haines family loves and misses each and every one of you and your family.

See you soon and take care.

興氏學校家庭們：

我相信昨天發生的事件，可能仍在您的腦海和內心深處出現。我想確保我們作為成年人，首先認識到人們的情感，並準備每天支持我們的孩子。

作為父母，我們想給學生最好的東西，有時會忽略或不承認殘酷的現實，因此請注意，我們所有的學生都給人留下深刻的印象；教育我們的孩子關於我們周圍的世界，是我們的責任。

興氏學校的使命和使命是，培養21世紀的全球學習技能，確保整個孩子的性格、社交和情感發展，同時為學生提供傳統學校環境內外的更多學習機會和服務。

我們的老師們正在創造安全的空間和機會，以確保我們在接下來的幾週內不會讓任何可教導的時光溜走。

以下是一些文章和/或網站，您可以用來與孩子們討論這幾天發生的時事。
