Principal's Message

Happy New Year Haines family. This is a great time to reflect upon all of the great things that are happening at Haines School.

I have just a few things I would like for you to do in 2018 .

1. Have your children at school everyday and on time!
Attendance matters at Haines.
2. Volunteer in the morning from 7:30-8:00 AM or in the afternoon from 2:30-3:00 PM.

Fun facts about colds:

COLDS do not come from being outside or in a draft. COLDS spread through germs that are transmitted from child to child through something called "droplet spread."

COLDS tend to be more common in fall and winter when children are indoors and in closer contact with each other.

There is no cure for the common cold. COLDS usually go away on their own.

Please be sure that your children are getting enough sleep DAILY, eating nutritional meals, such as breakfast at Haines, and have plenty of physical exercise in and outside during the day.

I am very proud of the students, staff, and parents at Haines and I look forward to many more great things at Haines in 2018!

Scott Scherquist, Assistant Principal
