

October 2020

We did it! It has been a great first month of Remote Learning. KUDOS for a wonderful attendance rate of 99.37% for the month of September! The students and teachers are off to a wonderful start and we want to say THANK YOU!

Please make sure your child logs on to Google Meets daily and on time. Students should take breaks throughout the day.

Don't forget that **synchronous** time is when teachers are teaching live and **asynchronous** time is when students are working independently. Assignments are posted in Google Classroom and grades are in ASPEN.

Weekly newsletters and schedules are posted on the school's website as well as Google Classroom.

All [school forms](#) can be emailed to haineses@cps.edu.

Upcoming Events

Protecting our students' privacy during online learning

In addition to ensuring our students have the tools they need to successfully learn from home, CPS is committed to doing everything we can to protect the online privacy and safety of our school communities during remote learning.

Guests and outside visitors are prohibited from joining virtual classes.

It is important to remember that during remote learning, students and teachers will be bringing a virtual classroom into the privacy of their home or living situation. It is our collective responsibility to respect and protect each other's privacy and any personal or sensitive information we may learn through a virtual classroom. Therefore, the district is prohibiting any outside visitors from participating in or observing a virtual classroom unless legally required or consent has been obtained.

Teachers should remind students and families that everyone must respect each other's privacy as much as possible during remote learning.

Learn more about how to best respect and protect one another's privacy during remote learning [here](#). And as a reminder, our [Acceptable Use Policy](#) outlines the district's rules for staff and students interacting on digital platforms.
