Schools may not use Title I School Funds or Title I Parent Funds to pay vendors to assist the school with their Title I Compliance. Principals must contact the Title I Manager in the FACE 2 Office if they require assistance with their Title I Compliance, including the annual parents' meeting, PAC organizational meeting or PAC regular meetings.

All vendors must receive a Purchase Order from the school prior to rendering services to Title I parents. Vendors must render all services that schools contract for before receiving payment pursuant to a Purchase Order.

Principals must ensure that the Title I Parent Funds are used to train the parents on ways to support the academic achievement of their students.

At such schools, the Principal shall submit all such requests to the Network Chief of Schools for approval. However, if feasible, the Principal shall first present all requests by the School Title I PAC for the allocation or re-allocation of family and community engagement funds to the LSC and allow it an opportunity to provide input on the request, including voting on whether it should be approved or not. Any such vote shall be advisory to the Network Chief of Schools.

III. Expenditure of Family and Community Engagement Funds

1. General Principles

The School PAC must vote in open PAC meetings and by majority votes of the members present to approve all expenditures of Title I family and community engagement funds.

If approved by the School PAC, the Principal shall approve expenditures in accordance with the principles and requirements contained in Section III of this document.

2. Permissible Expenditures of Family and Community Engagement Funds

B. Refreshments for Family and Community Engagement Activities

Funds **may** be expended for refreshments at PAC Meetings and parent trainings and workshops in accordance with the following guidelines:

- The total funds expended for refreshments for meetings, trainings and workshops, regardless of length may not exceed \$5.00 multiplied by the number of anticipated attendees*
**Estimates of anticipated attendees must be based on the past attendance of such activities.*

Account 53205 is to be used:

- to purchase refreshments through a purchase order from a Board vendor or with a school check from a non-Board vendor; or
- to reimburse school staff members with a school check for purchasing refreshments with their personal funds.

C. Software, Supplies and Postage

F. Reimbursement of Parents' Expenses

Funds **may** be expended to reimburse parents for reasonable and necessary expenses incurred in participating in Title I family and community engagement activities in accordance with the principles and requirements contained in the following section IV.

Note

Section 1116 of Title I, Part A of the ESEA provides that school districts that receive Title I funds "may pay reasonable and necessary expenses associated with local family and community engagement activities." The use of the word "may" means that school districts are not required to pay, or reimburse parents for, such expenses. Consistent with the permissible nature of the payment of such expenses, the principal of a school, and, when appropriate, the Network Chief of Schools, have the authority to decide not to use Title I family and community engagement funds to reimburse parents' reasonable and necessary expenses in attending such activities.)

IV. Reimbursement

1. General Principles

Per Board of Education policies, schools may not provide cash advances to parents to defray any expenses incurred in attending Title I conferences, workshops or activities.

Consistent with any Federal, State, or CPS directives or policies addressing such attendance, Title I family and community engagement funds **may** be used to reimburse parents' **reasonable and necessary** expenses incurred in attending Title I conferences, workshops and activities. (See *Note* above.)

Parents are strongly encouraged to attend local or regionally based training opportunities, such as workshops or conferences, when they are the same or similar as those being held out-of-state. Therefore, parents' expenses incurred to attend **out-of-state** Title I conferences and workshops will be reimbursed only in "special cases". "Special cases" will be the exception rather than the rule.

Parents must receive all required prior approvals from the school (i.e., PAC, Principal) before incurring any expenses to participate in Title I family and community engagement activities.

Parents may not be reimbursed for the purchase of food items donated to a school for its family and community engagement activities if the purchases were made with a LINK EBT card. Cash reimbursement of such purchases would be a violation of Federal law.

All reimbursements of parents' expenses incurred to participate in Title I family and community engagement activities shall be paid from Account 54565. The total funds expended for parent reimbursements for all expenses while participating in Title I activities in a school year may not exceed 25% of a school's total family and community engagement funds allocation for the school year.

To adequately support a request for reimbursement, original expense receipts must be unaltered, legible and itemized. School shall retain all original receipts submitted in support of reimbursement requests.

The school principal and, when appropriate, the Network Chief of Schools, shall determine parents' entitlement to reimbursement of such expenses in accordance with the principles and requirements contained in this section IV.

The Principal has the authority to establish reasonable caps or limits on the amount(s) of reimbursement to which a parent may be entitled and other reasonable rules applicable to reimbursement. All decisions by the Principal concerning a parents' entitlement to reimbursement shall be final.

Sections 3 and 4 below shall govern the specific expenses for parent travel which may be reimbursed with Title I family and community engagement funds and the requirements to obtain such reimbursement. Under no circumstances shall expenses for any form of entertainment or any other activity for which Title I family and community engagement funds may not be expended be reimbursable.

2. Childcare Reimbursement

Parents must complete the Childcare Reimbursement Form and must attach original receipts to receive a reimbursement for childcare expenses incurred to participate in a Title I family and community engagement activity.

Childcare for attendance of out-of-town overnight conferences will be reimbursed at the flat rate of \$50.00 per day per household.

Total childcare reimbursements cannot exceed \$250.00 per household per month.

3. Conference Travel

 - i. The Title I, Part A Parent Conference Travel Approval Form; and
 - ii. The Title I, Part A, Parent Overnight Travel Approval Form with the "Parent Responsibility" Section completed.
- b. The parent **must submit the forms in advance** of the travel. Principals may set deadlines for submission of the forms in advance of the travel. If such deadlines are set, the Principal must communicate the deadline to all parents. Principals may otherwise decide if the forms are submitted in sufficient time to allow an informed decision whether to approve the travel by the Principal and the school's Network Chief of Schools.
- c. All overnight travel must be approved by the Principal and the school's Network Chief of Schools whether it is required by a grant and considered essential travel or not required by a grant and considered non-essential travel.

- d. All requests for non-essential travel must include a detailed explanation of why the travel is critical to a core mission of CPS and the impact on the District if the travel is not authorized.

Notes

Parents will be responsible for payment of any travel costs incurred prior to obtaining all necessary approvals if the travel was not authorized by the school. Schools will be responsible for payment of any parent travel costs incurred if the school authorized the travel prior to obtaining or providing all necessary approvals. Such costs shall be payable personally by the Principal or from the school's internal accounts. Neither Principals nor schools may be reimbursed for such costs through grant funds, including Title I and SGSA.

Payments to vendors must follow the purchase order procurement process. Schools will not be reimbursed through grant funds, including Title I and SGSA, for payments made to vendors through internal accounts.

B. Conference-Related Fees

- a. Conference-related fees will be reimbursable with adequate proof of conference attendance and original itemized receipts, where applicable.

- iv. To be reimbursed for contributing to payment of costs incurred in the use of a private vehicle for transportation to a Title I family and community engagement activity, passengers must present itemized original receipts.
- v. In the event that any passengers who contribute to payment of the costs incurred in the use of a private vehicle for transportation to Title I parental involvement activity are reimbursed for such contribution, the total reimbursement paid to the vehicle owner and any such passengers shall not exceed an amount equal to the "per mile" rate set by the Internal Revenue Service.

d. Use of Rental Vehicle

- i. Car rental is a reimbursable expense only when other modes of transportation are cost prohibitive, no other transportation is available or the ground transportation distance renders public transportation, taxi, or other mode of transportation impractical. Reimbursement will be for the midsize rental rate and upgrades are not reimbursable.
- ii. Original itemized receipts are required.
- iii. In the event that the vehicle will be used to transport a student other than the car renter's child (ren), the Board's Student Travel policy must be followed.

- c. Absent a valid excuse, any parent failing to provide either the required documentation of expenses or report/presentation on the activity attended shall be ineligible for reimbursement of expenses to attend any future parental involvement activity for the remainder of the school year.

4. In-Town Travel

A. General Principles

- a. The purpose of an in-town travel reimbursement is to compensate parents of children receiving Title I services for expenses incurred when using their personal vehicle, taxicab or public transportation to attend Title I parental

involvement activities. "Exceptional circumstances" must exist to justify reimbursement of parents' expenses for in-town hotel stays. In no event, shall CPS employees be eligible for reimbursement of expenses for in-town hotel stays.

- b. To be eligible for reimbursement of expenses for in-town travel to attend family and community engagement activities, parents must reside 1.5 miles or more from the location of the activities.
- c. The following factors will be considered in determining the reasonableness of in-town travel expenses:

- e. To be reimbursed for contributing to payment of costs incurred in the use of a private vehicle for transportation to a Title I family and community engagement activity, passengers must present itemized original receipts.
- f. In the event that any passengers who contribute to payment of the costs incurred in the use of a private vehicle for transportation to Title I parental involvement activity are reimbursed for such contribution, the total reimbursement paid to the vehicle owner and any such passengers shall not

exceed an amount equal to the "per mile" rate set by the Internal Revenue Service.

- b. The use of all-day or round-trip tickets or fares, if available, is also encouraged and preferred
- c. Unless it was not available at the entry point for the public transportation service utilized (CTA, RTA, METRA) or was otherwise unavailable, the rate of reimbursement will be the cost of an all-day or round-trip ticket or fare on the service utilized.

E. In-Town Travel Reimbursement Procedure

Parents must submit the In-Town Travel Reimbursement Form (with original itemized receipts attached) to the school principal or designee (shall be a school employee) within 10 days of the travel for which they are seeking reimbursement.

IV. Title I Parent Councils & Meetings

Note: Schools are prohibited from expending any Title I family and community engagement funds until they conduct the Annual Title I Informational Meeting and the Title I PAC Organizational Meeting. Doing so shall result in an audit exception and schools shall be required to reimburse the Title I family and community engagement funds.

1. Eligibility for Participation

- A. Parents of students receiving Title I services in a Schoolwide or Targeted Assistance Program may participate in all family and community engagement activities at the Local School and Collaborative levels, including, but not limited, to the Local School Parent Advisory Council ("School PAC") and the PAC/PLN Title I Parent meetings conducted by the FACE2 Office.
