

Welcome to Middle School Social Science

Please find attached Summer enrichment activities that are designed to keep students engaged. The assignments are grade appropriate. Feel free to complete these activities as a family. I hope you will have fun completing these activities.

Please use the attached Choice Board to select your activities this summer. There are several activities to choose from. There are five colors/subheadings: **Yellow**, **Orange**, **Green**, **Pink**, and **White**. Your goal is to complete one activity from each color.

Please be prepared to present one of your activities when you return to school.

We will be using the same supplies from the previous year and the Activity Fee is \$70.00. Parents, you will have until June 25th to order from the company if you choose www.shopttkits.com Account #: 74538.
