**TEACHER'S MESSAGE**

The year has gone by so fast, and the children have grown so much! Thank you for all that you do for your child at home. We could not do the work we do without your support. If your child is going to kindergarten in September, please remember to have a physical, dental, and eye exam for your child before school starts. We wish the children going to kindergarten well, and we look forward to seeing our returning students in September. We are excited for the full day classroom we will have in September. Please continue to work with your child on the concepts we've learned this year to keep them fresh in your child's mind. They can practice writing their name, recognizing letters and numbers, counting and learning letter sounds. We want the children to continue growing and learning throughout the summer.

**MONTHLY THEME**

We will be talking about friends as well as the transition to kindergarten for those who are going.

**DATES TO REMEMBER**

**June 15:** Field Day. The morning class will attend Field Day after our morning class. The families of the afternoon class can bring their children to Field Day anytime after 10:00. They do not need to come to the classroom on this day. Please remember that a family member must stay with their child at Field Day.

**June 19:** The last day of school.
