TEACHER'S MESSAGE

The first month of school went well. The children are getting used to the routine and making new friends. This month we'll be starting our take home library. The children will choose a book to take home each night. Please read the book with your child and make sure he/she returns it the next day. If your child forgets his/her book at home, they will not take a new one home. October 8-14 is Fire Prevention Week. We will be visiting the fire station on October 13. Since this is a walking field trip, we encourage a family member to come with your child. If you can come, check the line on the permission slip to let us know.

MONTHLY THEME: This month, in addition to learning about fire safety, we will begin a unit on trees. We will be learning about types of trees, what food comes from trees, how trees change and grow, what animals live in trees and what we use trees for.

THINGS TO DO AT HOME

Please talk with your child about fire safety and create and practice an exit plan in case of a fire. Remember to check the batteries in your smoke detectors. You should have one on every floor of your house.

DATES TO REMEMBER

Monday, October 9: No school in observance of Columbus Day.

Thursday, October 13: Field trip to the fire station. Children come to school at their regular time.

Tuesday, October 31: Halloween Celebration. The children can bring a wrapped treat to distribute to the children in our class.
