**TEACHER'S MESSAGE**

Thanks to everyone who came with us to The Children's Museum. It's so nice to be able to have so many family members attend! I look forward to speaking with you about your child on April 10 for Report Card Pick Up. Please sign up for a time to see me. Spring Break will be the week of April 15. Take time to have some family fun!

**NEXT SCHOOL YEAR**

Online Registration for preschool will begin April 15, 2019. If you know any families that have children who will be three or four by September 1, 2019, please tell them to register online when registration opens. The children going to Kindergarten next year will automatically be registered for Haines School **if you live in the Haines School boundaries**. If you do not live within the school boundaries, you must apply at GoCPS. It is not guaranteed that you will get a spot.

**MONTHLY THEME**

This month we'll be finishing our Simple Machines Study. After break we'll begin a Buildings Study. Take time to talk with your child about how your home is built. Go for a walk around your neighborhood to observe different buildings. If there's a building under construction, talk with your child about how it is built.
