### TEACHER MESSAGE

It was good to meet with you at report card pick up to discuss your child's progress. I appreciate the work you do at home with your child. It's important for us to work together to help the children grow. We are going on a field trip on December 10 to see the play The Ugly Duckling. Please make sure you complete the permission slip and let us know if you'll be joining your child on this trip. Please send a winter change of clothes in case your child has an accident. We will send the warm weather clothes home when we receive the new set. We'll be having a holiday celebration on Friday, December 21.

### MONTHLY THEME

Our study this month is clothes. We'll be talking about different types of clothing, how we care for clothes and special clothing people wear for different purposes. If you would like to share something about the clothing you wear for special occasions, we would love for you to come to the classroom to show it to the children and talk about how the clothing is special to you. Please see me so we can set up a time.
