TEACHER'S MESSAGE

Our field trip to The Chicago Children's Museum has been changed to March 8. We encourage a family member to come with each child. Please remember to enter the front doors upon arrival on Tuesdays and Wednesdays. Also be sure that your child brings a towel for rest time every Monday. We send it home on Fridays for cleaning.

MONTHLY THEME

This month our study will be Simple Machines. We will be learning about inclined planes, levers, pulleys, wedges and wheels. If you would like to share your knowledge of simple machines with the children, let me know.
