TEACHER'S MESSAGE

The first month of school went well. The children are getting used to the routine and making new friends. The take home library is going well. I hope that you are reading with your child each night. If your child forgets his/her book at home, they will not take a new one home. Homework will start this month. We'll have homework Monday-Thursday. October 8-14 is **Fire Prevention Week**. We will be **visiting the fire station on October 12**. Since this is a walking field trip, we encourage a family member to come with your child. If you can come, check the line on the permission slip to let us know. Please be sure to have completed the on-line volunteer form for Chicago Public Schools. This needs to be done before you can come with us. The process takes about a week.

MONTHLY THEME: This month, in addition to learning about fire safety, we will begin a unit on trees. We will be learning about types of trees, what food comes from trees, how trees change and grow, what animals live in trees and what we use trees for.

THINGS TO DO AT HOME

Please talk with your child about fire safety and create and practice an exit plan in your home in case of a fire. Remember to check the batteries in your smoke detectors. You should have one on every floor of your house.

STAR OF THE WEEK:

Jayden Chen: October 5 **Sophia Chong:** October 12

Anna Huang: October 19 **Quentin Krull:** October 26

DATES TO REMEMBER

Monday, October 8: No school in observance of Columbus Day.

Friday, October 12: Field trip to the fire station. We will leave for the fire station at 8:45.

Wednesday, October 31: Halloween Celebration. The children can bring a wrapped treat to distribute to the children in our class. We have twenty children.

HAPPY BIRTHDAY

Adenuola Hastrup: October 14

Amy Li: October 22
