DECEMBER

English

Students will be focusing on -ed and -er endings in Superkids. They will also be learning about nouns and verbs, as well as reading skills that focus on comparing/contrasting problems and solutions in two different stories

Math

Students have been working on addition fact strategies and are now moving onto Topic 4 which involves learning strategies for subtraction fact stories.

Science

The students have been observing the life cycle of their Brassica plants. We will continue to observe our plants as we explore the parts of plants and their purposes.

Social Science

We have been learning about different kinds of communities and the community that we live in.

Upcoming Dates

- **Polar Express Day- December 19th**
Students may wear their pajamas and bring their favorite stuffed animal as we do activities based on the “Polar Express” book.
- **Progress Report Distribution** – December 13th
- **Field Trip- Emerald City** –December 17th
- **No school** -December 23th to January 2 nd - Winter Break. See you on Monday, January 7. Warm Wishes and Happy Holidays!

“Children want the same things we want. To laugh, to be challenged, to be entertained, and delighted.”

- Dr. Seuss
