FEBRUARY NEWS

Language Arts

We are using our knowledge of letters and sounds to blend and read words. Students are working on mastering sight words. We are continuing to focus on key details from a story, such as problem and solution. We are making predictions while reading and focusing on higher level questioning. We are continuing to work on informational ("All About") writing. We are working on writing complete sentences with capitalization and correct punctuation and spelling sight words correctly. We will begin our opinion writing unit this month too. Students are using rhyme and word families to spell unknown words.

Math

We are continuing working on addition and subtraction facts and word problems. We will also be celebrating the 100th day of school!

Social Studies

We are learning economic (wants/needs/goods/services).

Reminders

Please check your child's folder daily. There are always important communications going out with the homework. Also, please make sure you are completing monthly reading logs and submitting them by the first of the next month. On Valentine's Day, we will have some fun activities to do in the class. Students are welcome to bring in treats (must be peanut free) to share with the whole class (119- 26 students; 117- 26 students). In addition, please continue to work on blending practice that is being sent home with each phonics unit. On snowy days, please send your child to school with a change of shoes so that we can keep the classroom clean and prevent slipping. Thank you!
