

JANUARY

English

In Superkids, we are recognizing the plot of stories: beginning, middle, and end. In phonics we are learning long-vowel sounds with CVCe (Consonant, Vowel, Constant silent e) pattern.

Math

We have been practicing adding and subtracting using number sentences, pictures, and doubles. We will continue to work with addition and subtraction using different strategies to solve word problems. Then we will explore the representation and interpretation of data.

Science

We have been learning about the life cycle of an apple and will be doing activities on the life of Johnny Appleseed. We will continue to observe our seed as we explore what the inside of a seed looks like and the germination process.

Social Science

We have been learning about different kinds of communities and the community that we live in. We will be having discussions around the country they live in.

Happy New Year to everyone! We are looking forward to starting the new year and doing our very best! Thank you, parents, for your support thus far in keeping up with all the papers being sent home that need to be filled out and monitoring your child's homework and behavior. **If you would like to volunteer, please go to cps.edu and fill out the volunteer application.** Please continue to look in their folders daily.
