JANUARY

Monthly Study

This month's study is Clothes. We will be learning about the features of clothes, how we take care of them, how they are made, where we get our clothes and special clothes people wear for special occasions.

Dates to Remember

Thursday, January 2: School resumes after Winter Vacation.

Monday, January 20: No school in observance of Dr. Martin Luther King, Jr. Day.

Friday, January 31: No school. School Improvement Day.

Things To Do At Home

Have your children help sort the socks and fold the laundry. Look for patterns in the clothes you and your child are wearing.

Welcome back! We hope you had a relaxing break. Please be on time for school as well as picking up your child after school. If you are late picking your child up, and no one is in the room, please go to the office to get your child.
