

OCTOBER

English

Students are finishing up their short story unit with writing assignments. 6th grade is writing a Character Sketch and 7th grade is analyzing Symbolism.

Math

6th graders are reviewing fraction and decimal operations. 7th grade just completed a fun FAL matching graphs, stories and tables.

Science

6th and 7th grades are finishing up with Scientific Method. 7th grade will soon start "Ecology" unit, while 6th grade will start "Rocks and Minerals" unit.

Social Science

Ms. Twillie

The students are off to a good start. Sixth graders are learning about the 5 Themes of Geography. Seventh graders are analyzing primary and secondary sources and noticing bias.

Dear Parents!

Students are finishing up their "Scientific Method" unit. Soon, all students at Middle School Level will start working on their Science Fair projects. Please support your child in any way you can. Your support will help your child to be successful.

"During our FAL, I loved how my group moved the graphs, tables and statements around. We moved them around cautiously checking each others' work, making sure we were correct."
-- Trevaughn Ticey, 7th Grade

BIRTHDAYS

Happy birthday to:
Kyle Chen
Armari Clark (Oct. 6)
Jimmy Chi
Junjie Chen
Vincent Cheung
Journi Easter
Jewellis Young

Ms Berman:

Students are working on building reading and writing skills. We will be beginning a novel shortly - Esperanza Rising. Students are completing math problems using a variety of operations and strategies. In Science we are learning about different body systems and how they work and interact. Social studies is covering basic geography concepts and will soon begin our study of Native Americans.
