Week of 1-19-2020

ELA

This week, we are going to read a new text “Rosa and Blanca.” It is a realistic fiction that tells about made-up events that could happen in real life. The text is about Rosa and Blanca who came up with a clever idea. Students will learn about long i vowel patterns (i, igh, y), sequencing and prediction, fables, and verb tense. The writing focus is word choice. 本周，我们将阅读新文本“Rosa and Blanca”。这是一个现实的小说，讲述了现实生活中可能发生的虚假事件。文字是关于罗莎和布兰卡的构想。学生将学习长i元音模式(i, igh, y)，顺序和预测，寓言和动词时态。写作重点是选词。

Math

We will review topic 6 on subtraction with regrouping on Tuesday. Test will be on Wednesday 1/20. The next math topic is solving problems involving addition and subtraction. Please continue to encourage your child to practice addition, subtraction, and multiplication fluency on Xtramath. 我们将在周二重新分组以讨论有关减法的主题6。将于周三1/20进行测试。下一个数学主题是解决涉及加法和减法的问题。请继续鼓励您的孩子对Xtramath进行加法、减法和乘法流利度练习。

Science

Students will continue to investigate why aren't Chalta seeds getting to places where they can grow. Students read *Habitat Scientist* to gather more information about the different parts of a habitat and to extend their ideas about what parts of a habitat might help seeds get to new places. 学生将继续研究为什么 Chalta种子无法到达可以生长的地方。学生阅读人居科学家，以收集有关栖息地不同部分的更多信息，并扩展他们对栖息地哪些部分可以帮助种子到达新地方的想法。
