

Ms. Allred - 2nd Grade
Rm. 217

Week of 11-16-2020

ELA

Students will be reading the story Bremen Town Musicians. They will learn about irregular plural nouns, cause and effect, and fairy tales. By the end of the week, students will write their own fairy tales.

1 2
3 4

Math

This week, students will continue to add fluently within 100. They will apply the formal addition algorithm to solve one-step and two-step word problems.

Science

In Science, students will engage in the Concept Mapping Routine to articulate the relationships among key science ideas related to how plants grow. They will learn that scientists use data to learn about things in the real world.
