

Ms. Allred - 2nd Grade
Rm. 217

Week of 1-25-2020

ELA

This week, we are going to read a new text "A weed is a flower." It is a biography about the life of George Washington Carver. Students will learn about blends, segment phonemes, helping verbs (is, am, are), comparative endings (-er, -est), facts and opinions. The writing focus of the week is organization.

Math

Students will continue to work on solving problems involving addition and subtraction. This week's focus is solving 2-step word problems. Please continue to encourage your child to practice addition, subtraction, and multiplication fluency on Xtramath. 数学主题是解决涉及加法和减法的问题。请继续鼓励您的孩子对Xtramath进行加法, 减法和乘法流利度练习。

Social Science

Students will read about an unusual new year tradition - Polar Bear Plunge. On January 1, people run and jump into freezing-cold water to welcome in the new year. Students will write an opinion piece on whether they would join in the Polar Bear Plunge.
