Math

For the week of 11-23-20, students will be reviewing materials for topic 4. The topic 4 test will be on Tuesday.

Starting after Thanksgiving Break, students will work on developing strubration strategies such as using a hundred chart and subtracting on an open number line.

Social Studies/Science

In Social Studies students will read the Scholastic New article "I am Thankful". Students will talk about gratitude and things they are grateful for this Thanksgiving season.

In Science, students will be learning about different parts of the plant. Students will investigate, through videos, what foods we eat are related to different parts of the plant.
