

Bruno/Tan  
3rd Grade  
Room 207

## Week of November 9th

### **ELA**

We will start on a new story called Supermarket. Our skills focus will be on vowel digraphs, compare & contrast, and response to questions using details from the story.

### **Reminders**

- parents please check your child's assignments daily
- assignments will be accepted up to two weeks after the due date
- changes made to the assignment rubric (see below)

### **Math**

-We will work on Topic 1-1 (Multiplication as repeated addition) and Topic 1-2 (Multiplication on a number line)

### **Celebrations**

I'm looking forward to another great quarter with the students. They have adapted well, able to solve some of the computer problems and learned how to navigate through a lot of the different online programs.

### **Science/SS**

Science: Lesson 6 - Why do dogs wag their tails?  
SS: Scholastic - A Home in Space

### **Star of the Week**
