3rd Grade
Room 207

Week of September 21

ELA

We will start on our Reading Street series. The first story is called Charlie McButton. Within the story, we will work on different skills such as phonics, homonyms, context clues and literary elements.

Math

We will work on Topic 8-2 (Addition Patterns) and Topic 8-3 (round whole numbers)

Science/SS

Science: We will learn about animals through time.
SS: We will work on our first Scholastic News - Be Proud Of Who You Are!

Reminders

- My office hours is from 2:15-2:45. Students and parents are welcome to join and ask questions.
- Make sure your child comes back to class at 12:00 after lunch
- parents please check students' work on Google Classroom. I will send a video soon to explain

Celebrations

During the 2nd week, it was a struggle in the beginning for students to learn how to use the programs. However, we persevered, and made huge progress. I'm proud of them!

Star of the Week

Jaxon Moore

Bruno/Tan
3rd Grade
Room 207

Week of September 14

ELA

We will continue to do read alouds related to character education along with introducing literary elements.

Reminders

- Meet the Teacher's Night is on 9/14. Check Dojo for the meet link.
- My office hours is from 2:15-2:45. Students and parents are welcome to join and ask questions.
- Make sure your child comes back to class at 12:00 after lunch

Math

We will setup our Pearson and Dreambox accounts. Students will learn to navigate through these programs. The class will focus on addition.

Celebrations

It was a great 1st week where every student was able to sign-in to have class. I'm glad to see their faces and being engaged.

[Class Webpage.](#)

Science/SS

Science: We will be learning about salt and hair.

SS: We will be learning about Character education theme such as responsibility, respect, and having an open mindset.

Star of the Week

Laiq Woods

Bruno/Tan Third Grade Room 207

Week of September 7

ELA

This week, we will practice communicating with one another online. We will share about ourselves and learn about one another. That is the big goal!

Reminders

Virtual Learning set-up:
Have a designated place to learn daily.
Use headphones!
Get dressed and eat breakfast before you start.

Math

This week, we will use numbers in our world to share about ourselves- our age, grade, etc. We will start to get usernames and passwords as well!

Celebrations

Thank you so much for taking this slow with us! We will learn as we go and do our best. Just be on time, ready to learn, respectful and responsible and we can do it!

Science/SS

We will work on Social Emotional Learning and get to know the rules/guidelines and expectations of remote learning. We will get to know one another as well!

Star of the Week

We will start this soon!
