

Week of Jan. 11 - Jan. 15

ELA

We will continue to identify patterns in short and long vowel words. We will also be reading poems as we practice our fluency. There will be a Superkids Unit 5 & 6 Test on Thursday.

Math

We will use the Savvas Realize Workbook this week. In Topic 6, we will learn how to represent and interpret data. We will also learn how to collect and organize data into categories.

Science/SS

For Science, we will learn about where bugs go in the winter and do a bug home invention. We also will discuss why penguins have wings if they can't fly. In Social Studies, we will learn about life long ago and today by comparing school and roles of women. We will also learn some important facts about Dr. King.
