

Week of Nov. 30 - Dec. 4

ELA

We will reviewing the digraph sounds this week, as well as, identifying rhyming words, and decoding words with -er and -ed.

Math

We will begin Topic 5 which focuses on Working With Addition and Subtraction Equations.

Science/SS

In Science, we will be reviewing what we have learned about plants and taking a plant assessment on Wednesday.

For Social Studies, we will be wrapping up our good citizen unit and taking an assessment on Tuesday. We will then begin our next unit which focuses on families long ago and today.

Reminders

12/1 - Giving Tuesday - Please support Friends of Haines (FOH) <https://www.friendsofhaines.org/>

If you need vision or dental resources please see [here](#).

Celebrations

Happy Birthday to Alexandra Bristol! 11/30

Star of the Week
