

Week of Dec. 7 - Dec. 11

ELA

We will continue to practice decoding words with the -ed/-er endings. We will be identifying problems and solutions within stories/poems.

Math

In math, we will be reviewing how to find the unknown numbers and how to make equations true. There will be a Topic 5 Assessment this week.

Science/SS

For Science, we will be exploring animal behavior in the winter and learning about why bears hibernate. We will also be examining the life of polar bears in the arctic. In Social Studies, we will continue to learn about life long ago and compare it to life today.

Reminders

Dec. 7 - Intent to Return Forms Due

Dec. 7 - Principal Chat (8:30am)
