

Week of Mar. 22 - Mar. 26

ELA

The students will be reading the story, "A Super Day at Happy Land" and identifying more contractions and the main idea. We will continue to learn about long vowel tricker words and also discuss synonyms.

Math

In math we will continue to subtract by ten through addition and using other strategies we have already learned.

Science/SS

In Social Studies, we will be talking about earning money and how community workers work to earn money.

For Science, we are moving on to Lesson 4 of our Plant Science On the Go program. We will also be discussing the weather changes in March and learning about lions. For Mystery Science, we will explore why baby animals are so cute.

Reminders

We will have Red Clay all this week.

Mar. 29-Apr. 2 Spring Break!

Please continue to read for 20 mins or more every day.
