

Week of Mar. 8 - Mar. 12

ELA

The students will be learning what happens to words that end with y when adding endings -er and -est. We will also be talking about homophones and reading the Superkids story, "The Wish," to practice recalling.

Math

We will be continuing Topic 10 by adding tens and ones using models, making tens, and place value.

Science/SS

We will be learning about our teeth this week and how to take care of them. There will be a Land of Smiles Presentation on Tuesday. We will also discuss Lesson 2 of the Plants on the Go program which will teach about where plants can grow. There will also be a Generation Genius lesson to talk about what inventions were inspired by nature.

Reminders

We will have Gym all this week.

Mar. 12 - Progress Report Distribution

Mar. 14 - Daylight Savings (Spring Forward)

Please continue to read for 20 mins or more every day.

Celebrations

Happy Birthday to Rex! (3/9)

Super job to Rex, Andy, Colin, and Sasha for getting 100% on their Math Topic 9 Assessment!

Star of the Week
