

Week of Apr. 12 - Apr. 16

ELA

The students will continue to decode words with aw and all sounds. They will also be identifying r-controlled vowel words and reading a story called, "Fire!"

Math

We will be finishing our unit about measuring length with cubes and other units. There will be a Topic 12 Online Assessment on Wednesday. Topic 13 will be about telling time.

Science/SS

In Social Studies, we will be discussing the difference between good and services.

For Science, we are moving on to Lesson 5 of our Plant Science On the Go program. We will also be discussing the life cycle of a butterfly this week.

Reminders

We will have Library all this week.

Apr. 12-16 School Spirit Week

Apr. 16- No School - School Improvement Day

Apr. 21 - Virtual Report Card Pick Up (Sign Up Sheet coming soon!)

Celebrations

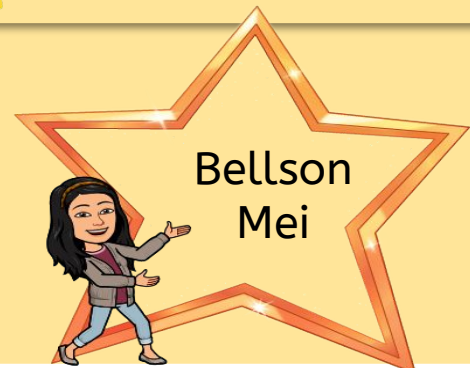

Happy Birthday to Katelyn Tat (4/11)!

Way to Bellson Mei for being the first to reach 125 class dojo points. He earns a book of his choice from Scholastic!

Star of the Week
